Dear Graham

APPROVAL and RECOGNITION of Dairy Maintenance Compound

The product **Airomist Pest** has been considered in conjunction with the independent assessment report provided and determined to satisfy the requirements of clause 30(3) of the Animal Products (Dairy) Regulations 2005.

The product **Airomist Pest** has been assessed and is approved for use in farm dairies and recognised for use in dairy premises when used in accordance with the label instructions.

Conditions:

1. To be used in accordance with label instructions.
2. Must not be used on milk contact surfaces.
3. Must not be used in areas where milk is exposed or stored, including milking and milk storage areas.
4. Animal feed contact surfaces must be rinsed after use of this product.
5. Should incidental contact with milk contact surfaces occur then the surfaces must be thoroughly cleaned and rinsed to ensure no residue remains
6. Not to be used on food contact surfaces.
7. Must not be used in areas where milk, dairy material, product or ingredients are exposed.

Where this **approval** is stated on the product label, the statement "MPI approved for use in farm dairies" is to be used, unless an alternative is agreed in writing by MPI.

Where this **recognition** is stated on the product label, the statement "MPI recognised for use in dairy processing" is to be used, unless an alternative is agreed in writing by MPI.

Should this product be determined to be unsatisfactory when used as recommended by the manufacturer or an agent of the manufacturer at the stated dosage, MPI may withdraw this approval and recognition.

Review

This approval & recognition is valid for a maximum period of 5 years but is subject to periodic review and may be withdrawn at any time should the Director-General determine that there is sufficient evidence that the products are not fit for the purpose for which this approval & recognition applies. You will be issued a letter prior to the review date, which is set at **7 March 2022** but you are responsible for ensuring that this review is completed if you wish to retain MPI approval & recognition of the above dairy maintenance compound.

Yours faithfully
